Current GE1A

Upgraded GE1A

New GE1A electronic timers feature one dial for time range setting & are RoHS compliant!

We updated our GE1A timers so the time range setting that required two slide switches is now one dial with a wider time range. With this change, new GE1A timers are now compliant with ROHS.

Additional spec changes include new LED colors. See chart below:

Item	Color	
	Before	After
POWER	Red	Green
OUT	Red	Amber

Contact	Part Number	Specification	
		Before	After
Delayed SPDT + Instantaneous SPDT	GE1A-B10H	0.1 min to 10 hours	0.1 sec to 10 hours
	GE1A-B30H	0.3 min to 30 hours	0.3 sec to 30 hours
Delayed DPDT	GE1A-B30H	0.1 min to 10 hours	0.1 sec to 10 hours
	GE1A-C30H	0.3 min to 30 hours	0.3 sec to 30 hours
