

PANDUCT® PLASTIC WIRING DUCT

Type E—Open Slot, Wide Finger

Type F—Open slot, Narrow Finger

Type G—Open Slot, Wide Finger

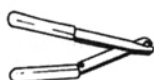

Snap-in slot design to add or remove wires easily. Also available in solid-wall style. Durable PVC in 6-foot lengths. Standard colors, LG (light gray) WH (white). **E Type:** Snap-in slot design for insertion with terminations attached. **F Type:** Designed for high density terminal blocks. Slots line up with termination points. **G Type:** Designed for larger wire loads. Matching non-slip cover. Scored sidewalls for easy breakouts. Universal mounting holes for greater layout flexibility. Wide selection of accessories including nylon rivets and installation tool, corner strip, wire retainers, and notching tool. Optional adhesive backing available (add "-A" to end of Mfr. No.). Made of rigid, self-extinguishing PVC. Meets UL flammability rating of 94V-0.
