TAA COMPLIANT

MANUFACTURED IN NORTH AMERICA

RoHS

Vertical cable manager extensions are a great way to manage and hide the visual appearance of network cables. Manager extensions mount either to the top of an enclosed cable trough or directly to a cable manager.

Features

- Constructed in 16-gauge steel.
- Mounting hardware included.
- Finished in textured RAL9005 black powder paint finish.
- TAA-compliant for federal GSA schedule purchases within the USA.
- RoHS Compliant.
- Manufactured in North America.

RRCMCH & FRCMCH Features

- Comes unassembled with easy assembly and installation.
- Mounts directly to the top of the **RRCM** or **RB-VCM** Series.

RRCH Features

- Comes fully assembled with a removable access panel for simple cable installation.
- Mounts directly to the top of the **RR19TM** Series.
