Split Door Retrofit Kit *SDRK Series*

Note: This product line has been discontinued as a stocked series on October 31, 2025. Information is for reference only. For alternative solution assistance, please **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

The SDRK was designed as a retrofit for old **C4** and **H1** server cabinets (pre-2021). The upgrade was to improve the latching and prevent damage of the door catch. All cabinets had been redesigned with the upgrade included and the upgrade is no longer available as a standard.

- The kit includes:
  - Two (2) injection-molded lock-rod clips.
  - Two (2) stainless steel door stop brackets.
  - Installation Hardware
- Takes minutes to install.
- TAA compliant for GSA Schedule purchases.
- RoHS and REACH compliant
- Manufactured in North America
