

The 1100 series lay-in ducts are made of code gauge steel and designed to permit fast and easy installation of multiple wire runs.

CSA Certified / UL Listed
NEMA/EEMAC 1 / IP30

Technical specifications:

- Corners of components are aesthetically rounded.
- The hinged covers are secured by convenient quarter-turn locks, which facilitate access to the contents of the components.
- Knockouts are provided on two sides of the body.
- Accessories for a complete system such as 22½°, 45° and 90° elbows, crosses, T's, reducers, telescope fittings have removable covers.
- Joiner plates are linked by carriage bolts and anti-vibration nuts, which can be installed using minimum tooling.
- Finished with heat fused powder paint, electrostatically applied on a pretreated base.
- Finish is ANSI/ASA 61 smooth gray (other colors available).
