

SMALL SINGLE DOOR WEATHERPROOF ENCLOSURES

The **5300 ESCH** single door weatherproof enclosures are used as junction boxes or control boxes in outdoor or indoor installations to protect equipment against rain, sleet and snow.

CSA Certified / UL Listed / NEMA / EEMAC 3 / IP64

Technical specifications:

- Made of high quality steel with continuously welded corner seams.
- Opening has a flat lip around all sides to increase rigidity and prevent dripping water from entering the enclosure when the door is open.
- Seamless gasket ensures a complete and durable water tight seal.
- The enclosure has die cast hinges, with stainless steel pins.
- Covers are interchangeable
- and can be removed by unfastening the antivibration lock nuts.
- Padlockable draw pull catches.
- Enclosure comes complete with a galvanized inner panel.
- External wall mounting feet are provided.
- Finished with heat fused powder paint, electrostatically applied on a pretreated base.
- Paint color : ANSI/ASA 61 smooth gray.
