### Pushbutton Switches

APem Components' 1200 series momentary pushbutton switches feature butt-action contacts with double breaks. The switches are available in NO and NC models that can handle up to 8 amps at 125 volts AC and 4 amps at 250 volts AC or 24 volts DC. They provide 10,000 lifecycles in operating temperatures from -20 to 55 degrees Celsius. Models are available with UL and CSA approvals. Terminations include screw type, screw and clamps, or solder lug/quick connect. *APem Components Inc.*
