CIT Relay and Switch introduces the WJ107F Series
Miniature Relay

Maple Grove, Minnesota — CIT RELAY offers miniature, low cost relay. The WJ107F is a robust relay with F class insulation and packaging standard. This well-built relay is UL certified at many load including 20A @ 125VAC/16VDC and 1/3 hp @ 277VAC. The WJ107F is available with AgCdO contacts or AgSnO₂ contacts for high inrush loads. This low cost, rugged relay is available in 1 form A, 1 form B, and 1 form C contact configurations along with the choice of .36W, .45W, and .80W coils. The WJ107F is manufactured and quality controlled to ISO-9002 and UL standards. Standard lead time is 8 to 9 weeks ARO. (\$0.60 ea / 1,000 pcs. available now)

CIT Relay & Switch, a division of Circuit Interruption Technology, Inc., manufactures a broad array of automotive, telecom, security, industrial and audio relays and switches in thru-hole and surface mount styles. CIT Relay & Switch products are supported by a network of distributors and sales representatives who provide sales, service and delivery. For more information about the new WJ107F relay, contact CIT Relay & Switch, 7003 Magda Drive, Maple Grove, MN 55369. Phone: 763-535-2339, Fax: 763-535-2194, E-Mail: sales@citrelay.com, Website: www.citrelay.com
