

# Wiper/Washer Control

Keeping in step with the needs of the Transportation Industry, Carling Technologies introduces yet another addition to our L-series family of Control Products, the new Wiper/Washer Control. Offering the best of both worlds, this new product combines the reliability and performance that you've come to expect from the L-series along with sleek aesthetics to seamlessly integrate into most any dashboard design. The Wiper/Washer Control features a robust packaging design which protects critical components, offers flexibility to meet a variety of customer requirements, while controlling several functions through the use of one single Control Product. Our integrated design provides an added bonus with the cost savings realized from the reduced need for insulated wires and connectors. The Wiper/Washer, Dimmer, and Mirror Rotate controls in conjunction with the versatile L-series family of switches enables Carling Technologies to provide "one-stop shopping" for virtually all functions encompassed in the dashboards of today.

## Design Features Include:

- Encased control housing
- Insulated wires are not required during assembly
- Wire Chafing is completely eliminated
- Integrated design minimizes the number of electrical connections
- Front panel sealed, consistent with proven L series design
- Resists PCB degradation caused by environmental intrusion
- 4 functions (Intermittent, Low speed, High speed, and Wash/Wipe) are incorporated into one single control versus the 2 control design of competitors
- Intermittent function features 6 steps with adjustable 1/2 second intervals, ranging from 3 to 15 seconds
- Wash function will operate from OFF, Intermittent, Low and High speed options
- 3 cycles of wiping run after each Wash function with selectable time delay increments
- Protection against Reverse Polarity
- Provides transient voltage protection
- Interference-free AM/FM radio signals

## Warranty Policy

Carling Technologies, Inc. (Seller) warrants that goods sold hereunder shall be free of defects in material and workmanship for one year from date of shipment.

In the event of such defects, the Seller's only obligation shall be the replacement or the cost of the defective goods, themselves, excluding, without limitation, labor costs, which are or may be required in connection with the replacement or reinstallation of the goods. This warranty is the Seller's sole obligation and excludes all other remedies or warranties, express or implied, including warranties of merchantability and fitness for a particular purpose, whether or not purposes or specifications are described herein. This Warranty expressly excludes any and all incidental, special and/or consequential damages of any nature. Seller further disclaims any responsibility for injury to person or damage to or loss of property or value caused by any product which has been subjected to misuse, negligence, or accident, or misapplied, or modified or repaired by a person or persons not authorized by the Seller or which have been improperly installed.
