

Mirror Rotate Control

The latest addition to the L-Series family enables Carling Technologies to satisfy most any dashboard control need.

Carling Technologies is pleased to introduce yet another addition to the L-Series family of control products, the LMR-Series Mirror Rotate Control. This exciting new offering, when combined with our dimmer control and the highly versatile standard L-Series products, enables Carling Technologies to provide a solution for virtually all interior/dashboard switching and control needs within the Transportation market.

Key Features/Benefits of the Mirror Rotate:

- 4 axis joystick style actuator
- 1A 12V and .5A 24V rating
- Internal boot provides sealing from dust and moisture
- Potted (sealed) wire leads with Delphi-Packard connector #12047886
- Controls 1 or 2 mirrors and up to 4 separate motors
- Fits industry standard 44mm X 22mm panel opening
- Highly reliable design incorporates sliding contacts in conjunction with a circuit board
- Easy installation, compatible with Delphi/Packard p/n 12045688
- Clean, compact appearance affords easy integration into most any automotive interior
- Arrow style graphics are included as a standard offering to provide ease of operation

Warranty Policy

Carling Technologies, Inc. (Seller) warrants that goods sold hereunder shall be free of defects in material and workmanship for one year from date of shipment. In the event of such defects, the Seller's only obligation shall be the replacement or the cost of the defective goods, themselves, excluding, without limitation, labor costs, which are or may be required in connection with the replacement or reinstallation of the goods. This warranty is the Seller's sole obligation and excludes all other remedies or warranties, express or implied, including warranties of merchantability and fitness for a particular purpose, whether or not purposes or specifications are described herein. This Warranty expressly excludes any and all incidental, special and/or consequential damages of any nature. Seller further disclaims any responsibility for injury to person or damage to or loss of property or value caused by any product which has been subjected to misuse, negligence, or accident, or misapplied, or modified or repaired by a person or persons not authorized by the Seller or which have been improperly installed.
