

# Automation Components

CARLO GAVAZZI

## Sensors

- Inductive Proximity Sensors
- Capacitive Proximity Sensors
- Photoelectric Sensors
- Ultrasonic Sensors
- Level Sensors
- Magnetic Sensors

## Switches

- Solid State Relays and Contactors
- Soft Starters
- Contactors and Overloads
- Miniature Circuit Breakers/Protectors
- Electromechanical Relays
- Pushbuttons and Pilot Devices

## Controls

- Energy Meters and Transducers
- Current, Voltage and 3-Phase Monitors
- Current Transformers
- Power Supplies
- Time Delay Relays
- Digital Panel Meters
